## Social Security Contributes Billion\$ to Florida's Economy

In Florida there are **4,223,274** Social Security beneficiaries, including:

- 2,977,966 Retired Workers
- 560,856 Disabled Workers
- 271,000 Widow(er)s
- 157,803 Spouses
- 255,649 Children

**Social Security benefits provide \$62 Billion  
Each year to Florida's economy**

Social Security provides a lifeline to beneficiaries, their families, and the local businesses which serve them. While some in Washington claim America can't afford programs like Social Security and Medicare, the truth is states like Florida can't afford to lose the economic benefits they provide to every community in the state.
