What's Your Chained CPI IQ?

This benefit cut and tax hike proposed by the White House and embraced by House Republicans is far more than just a "technical tweak" or "modest" formula adjustment, as claimed.

Did you know the Chained CPI will cut billions in benefits to the oldest and most vulnerable Americans who can least afford it?

Did you know the Chained CPI will cut \$31 billion in economic output and more than 200,000 jobs?

As this plan works its way through closed-door negotiations on Capitol Hill, it's vital you understand what the Chained CPI really means.
