Social Security Contributes Billion$ to North Dakota’s Economy

In North Dakota there are 133,773 Social Security beneficiaries, including:

- 96,657 Retired Workers
- 14,095 Disabled Workers
- 10,025 Widow(er)s
- 5,025 Spouses
- 7,971 Children

Social Security benefits provide $2 billion each year to North Dakota’s economy

Social Security provides a lifeline to beneficiaries, their families, and the local businesses which serve them. While some in Washington claim America can’t afford programs like Social Security and Medicare, the truth is states like North Dakota can’t afford to lose the economic benefits they provide to every community in the state.
