Social Security Contributes Billion\$ to Kentucky's Economy

In Kentucky there are **1,001,700** Social Security beneficiaries, including:

- 618,077 Retired Workers
- 191,326 Disabled Workers
- 74,232 Widow(er)s
- 36,044 Spouses
- 82,021 Children

Social Security benefits provide \$15 Billion each year to Kentucky's economy

Social Security provides a lifeline to beneficiaries, their families, and the local businesses which serve them. While some in Washington claim America can't afford programs like Social Security and Medicare, the truth is states like Kentucky can't afford to lose the economic benefits they provide to every community in the state.
